

## Join Our CHRISTMAS SAVINGS CLUB

We are starting a Christmas Savings Club for 1922. Everybody should start now to build up a nice Christmas Savings account with which to do your Christmas shopping next year. Come in and we will explain how a small part of your savings deposited each week in this bank will grow into a handsome sum by next December, when it will be at your disposal for your Christmas buying.

At this time we are thanking all our customers and friends for your loyal support during the past year, and wish you all a Merry Christmas and a Happy New Year.
